

S1000 AM Deactivation Pad Embedded Senso

PRODUCT FEATURES

- Plug and play installation
- For installation into the counter
- Status LEDs integrated

COMPATIBILITY

- AM S1000 deactivator family (13-047)

MECHANICAL

- Length 24.2 cm (9.53 in)
- Width 19 cm (7.48 in)
- Installation hole 20.6x16.2 cm (8.1x6.4 in)
- Cable length 1.5 m (59.1 in)
- Weight 0.85 kg

ELECTRICAL

- AM S1000 deactivator required
- Operating frequency 58kHz
- Status indication green and red LED
- Detection distance 20cm (DR label)
- Deactivation distance 16cm

ENVIRONMENTAL

- Ambient temperature 0–35°C (normal indoor use)
- Relative humidity 0–90% (non-condensing)
